

## HOW TO SHOOT AND SEND PROPER LOADING PICTURES

For each container or truckload, a minimum of 5 (five) pictures must be shot.

1. Empty container
2. Loading in progress
3. Loading completed, right side door closed (right side as the picture shows both container number and content)
4. Fully closed container
5. Seal closeup

## HOW TO UPLOAD PICTURES

Please navigate to the homepage of our website [www.greensley.eu](http://www.greensley.eu) and click on last button named "upload"

A new page will open with file upload system.  
Just follow the on screen instructions:
